1 Role Purpose

The Melbourne Indigenous Transition School (MITS) is a residential transition school for Indigenous students from remote and regional communities. Each year, 22 boys and girls around Year 7 age come to MITS for one year. At the end of their MITS year, students transition into scholarship positions at Melbourne schools. MITS believes that wellbeing is central to the continuing success of its students, and tailors its programs to reflect this philosophy.

The core purpose of the Teacher role is to deliver a curriculum with an emphasis on the strengthening of literacy and numeracy skills and which complies with the requirements of the Victorian Curriculum for Year 7. In this role, the Teachers will validate Indigenous history, support cultural celebration and assist students to adapt and flourish in a Melbourne environment. The Teachers will report to the Assistant Principal and work closely with other School staff.

MITS's educational approach is to tailor teaching programs and use methodologies to meet the needs and interests of its students and to create curriculum to engage, excite and challenge every student.

The development of relationships of trust, understanding and clear communication with families, guardians and Indigenous communities is core to this role. The fostering of strong and respectful relationships within a strong culture based on the school values of respect, courage, culture and care are a core part of the role.

2 Key Responsibilities

2.1 Learning & Teaching Programs

Teachers will:

- **(learning program)** contribute to the development and documentation of a Learning Program to meet the specification of the Year Seven Victorian Curriculum and tailored to the specific needs of MITS students. This will be led by the Assistant Principal and in accordance with the directions set by the Education Committee.
- **(teaching scope)** as part of the School Team, deliver the Learning Program across the whole curriculum including English, Mathematics, Science, Humanities, Technologies, Health and Physical

Education, Wellbeing and the Arts and in doing so act in accordance with AITSIL Standards of Professional Practice for Teachers.

- **(personalised learning)** led by the Assistant Principal, work with students to regularly update their Personalised Learning Records and ensure differing ability levels and needs are effectively accommodated within the classroom.
- **(lead role)** where qualified to do so, adopt a Lead Role in relation to key learning areas with emphasis on those areas which are critical to MITS students. In the Lead Role, they will:
 - promote innovative and consistent approaches and teaching strategy within the specific learning area and continuously develop them self and others professionally;
 - ensure that appropriate resources are available for effective learning and teaching of the learning area;
 - develop and conduct ongoing assessments related to the learning area to analyse and interpret formal and informal data for both individual students and the classroom as a whole;
 - meet regularly with the Assistant Principal to discuss the progress of each student's learning progress in relation to the learning area;
 - assist other Teachers and teaching support staff to interpret and use the assessment; and
 - critically evaluate current practices in the learning area to measure effectiveness.
- **(student assessment)** implement a diverse range of formative and summative assessments of students' learning, record assessment outcomes and report these to the Education Committee, Parents/Guardians and Partner Schools. This will be overseen by the Assistant Principal and monitored by the Education Committee.
- **(co-curricular program)** contribute to the development and evaluation of Co-curricular Programs within parameters specified by the Assistant Principal and the Education Committee. In this regard Teachers will develop and manage relationships with Melbourne organisations to identify programs and experiences that support and add value to the MITS curriculum.
- **(homework)** contribute to the MITS homework strategy by preparing and monitoring individual students' homework diaries and attending homework sessions when rostered to do so. Teachers will set targeted homework tasks for designated homework nights. Such tasks will be set at a level which is constructive and challenging for each student as an individual, and will be monitored by the Assistant Principal.

2.2 Student Wellbeing

Teachers will:

- **(after-school and weekend)** regularly participate in after-school and weekend programs to assist students to integrate to MITS and the Melbourne environment This will include a minimum of four MITS Student Weekend Sporting Activities throughout the year, and two extra-curricular activities per term including social engagement such as dinner and afterschool at Lockington, attendance at weekend sports, overnight camps and events which support students to maintain respect for their own culture and identity.

- **(student supervision)** provide adequate supervision of students in the MITS school grounds, when traveling between Lockington and the School, during excursions and when rostered by the Head of Boarding to chaperone students traveling between MITS and their home community.
- **(behaviour management)** manage student behaviour in accordance with the Student Behaviour Management Policy and ensure that behaviour records are maintained in Sentral. This may include behaviour management contracts and restorative practices. Teaching staff will also provide feedback to the Assistant Principal to provide information to parents about both positive and negative behaviours, to provide information relating school suspensions and contribute to the continuing development of the Student Behaviour Management Policy to respond to emerging requirements.
- **(wellbeing support)** develop and support students to address challenges relating to their wellbeing, their learning or relationship concerns, and their ongoing transition to MITS and on to their Partner Schools, and ensure that all wellbeing records are maintained in Sentral.

2.3 Student Medication & Health

Teachers will:

- when required by the Assistant Principal, assist with student health management and administer medication and first aid;
- ensure that all Medical and Health records are maintained in Sentral;
- when required by the Assistant Principal, ensure First Aid equipment and supplies are maintained;
- inform the **Head of Boarding** of actions taken and concerns regarding student medication and health; and
- inform the **Student Wellbeing Coordinator** of concerns regarding student wellbeing.

2.4 Student Selection and Enrolment

Teachers will, when required by the Assistant Principal, assist with new student selection and as such will act in accordance with the Student Selection Policy and Procedure. This may include administering and recording student assessments, conducting and documenting student interviews, attending Student Selection Panel meetings and maintaining extensive records on prospective students.

2.5 Student Transition

Teachers will:

- **(student handover files)** collect and collate a range of data and reports to contribute to each student's **Student Handover File** in preparation for students to transition to their Partner School.
- **(transition support)** support students during their transition from MITS to their Partner Schools. This may include managing their expectations, addressing any anxiety or questions and accompanying students on Partner School visits.
- **(student transition planning)** when required by the Assistant Principal, assist with student transition planning and as such act in accordance with the Student Transition Policy and Procedure. This may include administering and recording student assessments, conducting and documenting student

interviews, attending Pathways Team meetings or Student Placement Meetings and maintaining records on students.

- **(career path guidance)** help students to make informed decisions in relation to their career options and preferences. Teachers will develop an understanding of the student's career goals and link learning to the world of work, highlighting how elements of learning are relevant to their potential career choices.

2.6 Relationships, Communications & Community Engagement

Teachers will:

- **(parent and community relationships)** develop and maintain sound, positive, and caring relationships with MITS students, their families and communities. This may include visiting families in their communities to provide feedback on student progress, behaviour and wellbeing and to develop an understanding of the student's background and culture. Teachers will foster strong communication and responding promptly and with courtesy to their enquiries, requests and instructions.
- **(shared information)** share information with colleagues, MITS staff and stakeholders in a timely, appropriate, clear and professional manner. Records and documents will be maintained in a manner which is accessible to others and current in Sentral, LGL or the shared drive.
- **(school events)** when required by the Assistant Principal, take a Project Lead Role in managing events such as School Camps, Assembly, Graduation, in accordance with all MITS policies and procedures.
- **(fundraising, supporter and donor engagement)** fully support MITS Development and Donor engagement strategies, including attending fundraising and supporter events and contributing to MITS's ongoing efforts to bring together Indigenous and non-Indigenous Australians in positive, supportive and respectful environments, contributing to reconciliation in Australia.
- **(newsletter and communications)** contribute to the MITS Family Newsletter by assisting students to prepare articles, including photos and text about events at the School and submit these in a timely manner to the Administration Officer.
